

COOLAROO**MODEL: PET BED****KEEP THIS MANUAL****TOOLS REQUIRED**

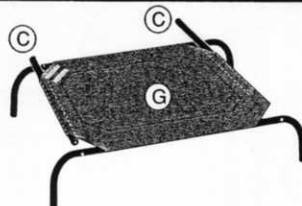

- Phillips Head Screw Driver

COMPONENT ASSEMBLY CHART

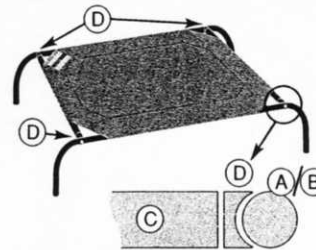

Diagram Key	Quantity	Illustration	Description
A	2		Plain Tube Side Bar
B	2		Single Swage Tube Side Bar
C	2		End Bar
D	4		Plastic Spacer
E	4		Securing Screw
F	1		Fabric Cover

ASSEMBLY INSTRUCTIONS**STEP 1**

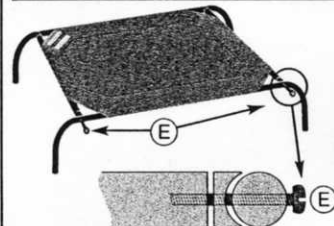

Join Side Bars (A) and (B) through the longer pockets of both sides of Top Cover (F).

STEP 2

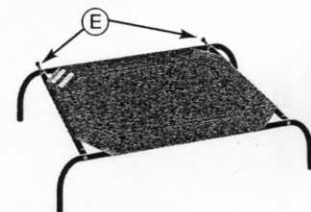

Slot the two End Bars (C) through the shorter pockets on the top cover.

STEP 3

Make sure Cover (F) has the Coolaroo logo facing up. Position Plastic Spacers (D) in between the Side and End Bars. Ensure that the flat side of Spacer is against the End Bars.

STEP 4

Insert screws into one side.

STEP 5

Proceed to insert the remaining screws into the side bar and spacers of the other long side of bed. Your cover has been made for optimum tension, so you may require the assistance of another person to fit these last screws.

STEP 6

Using a Phillips Head screw driver tighten all screws.

5 YEAR WARRANTY

The Warranty on this product covers your fabric cover ONLY against UV degradation. It does not cover the frame or any other components.

REPLACEMENT COVERS

Replacement covers are available for all models. Contact your local Coolaroo stockist to order.

WARNING

Do not have a fire or an open flame close to the fabric.
